CARRIER OBJECTIVE

- To stay updated with the latest advancements in the technical field, continuously improve my skills, and contribute to innovative projects while striving for personal and professional growth.

PROJECT DONE

CAR-RENTAL APPLICATION   2025 - PRESENT
- A web-based platform that allows customers to rent cars with or without drivers.
- It includes role-based dashboards for Admin, Customer, and Driver, car listings, bookings.
- Features cover payments, and Google Maps integration.
- The system simplifies rental management with secure authentication and notifications.

SWIGGY CLONE   2024
- A food delivery platform where users can browse restaurants and place orders online.
- It provides a smooth UI for menus, cart, and checkout with real-time order tracking.
- Admins and restaurant owners can manage dishes, prices, and availability.
- The system ensures fast delivery with multiple payment and notification options.

FARMAR MANAGEMENT SYSTEM   2024
- Formulate and implement detailed marketing strategies and initiatives that support the company's mission and objectives.
- Guide, inspire, and oversee a dynamic marketing team, promoting a collaborative and performance-oriented culture.
- Ensure uniformity of the brand across all marketing platforms and materials.
